

Féile na
gCloigíní
Gorma

Sunday 13 May | An Domhnach 13 Bealtaine
Saturday 19 May | An Satharn 19 Bealtaine

Is féile phobalbhunaithe seachtainé í Féile na gCloigíní Gorma lonnaithe san Uachtar Chluanaí in Iarthar Bhéal Feirste. Is ceiliúradh an phobail é seo ar an phobal féin, ar shláinte agus ar an timpeallacht áitiúil. Gach bliain i mí na Bealtaine, bíonn Páirc na Tua ar an tSliabh Dhubh ag bláthú le cloigíní gorma dúchasacha a bhíonn mar chomhartha do phobal an Uachtair Chluanaí go bhfuil an samhradh buailte linn. Tá gníomhaithe áitiúla ag úsáid shiombal na gcloigíní gorma le cur i gcuimhne do dhaoine áitiúla maidir le haoibhneas an tsaoil, a dtimpeallacht nadúrtha, tábhacht na sláinte agus dlúthpháirtíocht phobail! Is treithe de shaol an lae inniu iad iomaíocht, indibhidiúlachas, mícothromaíocht, ábharachas agus drochmheabhairshláinte agus ba mhaith linne dúshlán a chur roimhe seo agus ardán sábháilte a sholáthar le go dtig le daoine ár nascanna stairiúla agus spiorádalta lenár dtimpeallacht agus lenár bpobal chomh maith lenár ndaonnacht dhúchasach a chur faoi chaibidil. Tá imeachtaí ar fad i bhféilire na féile.

The festival is a people's celebration of community, health and the local environment. Each May the famous Black Mountain 'Hatchet Field' blooms and chimes with the glorious site of a sea of indigenous wild 'Blue Bells'. For generations of local people from the Upper Springfield this has effectively signalled the beginning of summer.

We are using the symbol of the blooming 'Blue Bells' to remind local people of the joys of life, their natural environment and the importance of health and community solidarity!

The world is characterised by competition, individualism, inequality, crass materialism and mental ill-health and we wish to challenge this by providing a safe platform to explore our historical and spiritual connections with our environment and community. Within the Upper Springfield local people hold the key to building another world and we are building it now!
